

§ 220.5

32 CFR Ch. I (7–1–01 Edition)

such refusal or reduction is required by the third party payer's plan.

(ii) Such provisions are not permissible if they are applied in a manner that would result in claims arising from services provided by or through facilities of the Uniformed Services being treated less favorably than claims arising from services provided by other hospitals or providers.

(iii) Such provisions are not permissible if they would not affect a third party payer's obligation under this part. For example, concurrent review of an inpatient hospitalization would generally not affect the third party payer's obligation because of the DRG-based, per-admission basis for calculating reasonable costs under § 220.8(a) (except in long stay outlier cases, noted in § 220.8(a)(4)).

(3) *Restrictions in HMO plans.* Generally applicable exclusions in Health Maintenance Organization (HMO) plans of non-emergency or non-urgent services provided outside the HMO (or similar exclusions) are permissible. However, HMOs may not exclude claims or refuse to certify emergent and urgent services provided within the HMO's service area or otherwise covered non-emergency services provided out of the HMO's service area. In addition, opt-out or point-of-service options available under an HMO plan may not exclude services otherwise payable under 10 U.S.C. 1095 or this part.

(d) *Procedures for establishing reasonable terms and conditions.* In order to establish that a term or condition of a third party payer's plan is permissible, the third party payer must provide appropriate documentation to the facility of the Uniformed Services. This includes, when applicable, copies of explanation of benefits (EOBs), remittance advice, or payment to provider forms. It also includes copies of policies, employee certificates, booklets, or handbooks, or other documentation detailing the plan's health care benefits, exclusions, limitations, deductibles, co-insurance, and other pertinent policy or plan coverage and benefit information.

[55 FR 21748, May 29, 1990, as amended at 65 FR 7728, Feb. 16, 2000]

§ 220.5 Records available.

Pursuant to 10 U.S.C. 1095(c), facilities of the uniformed services, when requested, shall make available to representatives of any third party payer from which the United States seeks payment under 10 U.S.C. 1095 for inspection and review appropriate health care records (or copies of such records) of individuals for whose care payment is sought. Appropriate records which will be made available are records which document that the services which are the subject of the claims for payment under 10 U.S.C. 1095 were provided as claimed and were provided in a manner consistent with permissible terms and conditions of the third party payer's plan. This is the sole purpose for which patient care records will be made available. Records not needed for this purpose will not be made available.

§ 220.6 Certain payers excluded.

(a) *Medicare and Medicaid.* Under 10 U.S.C. 1095(d), claims for payment from the Medicare or Medicaid programs (titles XVIII and XIX of the Social Security Act) are not authorized.

(b) *Supplemental plans.* CHAMPUS (see 32 CFR part 199) supplemental plans and income supplemental plans are excluded from any obligation to pay under 10 U.S.C. 1095.

(c) *Third party payer plans prior to April 7, 1986.* 10 U.S.C. 1095 is not applicable to third party payer plans which have been in continuous effect without amendment or renewal since prior to April 7, 1986. Plans entered into, amended or renewed on or after April 7, 1986, are subject to 10 U.S.C. 1095.

(d) *Third party payer plans prior to November 5, 1990, in connection with outpatient care.* The provisions of 10 U.S.C. 1095 and this section concerning outpatient services are not applicable to third party payer plans:

(1) That have been in continuous effect without amendment or renewal since prior to November 5, 1990; and

(2) For which the facility of the Uniformed Services or other authorized representative for the United States makes a determination, based on documentation provided by the third party payer, that the policy or plan clearly excludes payment for such services.
